				WORKING								
Loopz	Works. ~Rx	Not Necessary	Ressurectionx	Technically not a Chip8 game since you need an external execuatable to run it.								
				t even make any gamelists online):								
c8pic				Just a pic with a Chip8 Logo								
Figures	Works. ~Rx	Not Necessary	Not Necessary	Kind of like Tetris but with numbers. Doesn't seem to work right though.								
IBM	Works. ~Rx	Not Necessary	Not Necessary	Just a single screen with the IBM logo.								
Rocket Launch		,										
(Rocket I)	Works. ~Rx	Not Necessary	Not Necessary	Just like the Racing games, but not as good. Nothing new here.								
		,		Not a game. Missile launches then just goes up from screen to screen making								
Rocket II	Works. ~Rx	Not Necessary	Not Necessary	an annoying noise.								
Test				Just a test screen								
Tapeworm				Got plenty of "Snake" games already. Nothing new here.								
Timebomb				Not a game. Make numbers count from 005 to 200 something. Wow fun.								
TRON				Another snake game. Nothing new.								
X-Mirror	Works. ~Rx	Not Necessary	Not Necessary	Not a game. Annoying.
