This document has been created to keep track of any alternate titles I've added to the end of the synopsis file. These are user generated submissions that allow the emulator to pull up the European or Japan foreign title if you have that alternate in your set.

| | | | |
|---|--|--|--|
| Action in New York | Europe | | Not included in Xtras, but in synopsis: |
| Akumajou Special | Japan | | Sesame Street 123 - ABC |
| Beauty and the Beast | Europe | | Super Mario Bros. & Duck Hunt |
