Working Games [Need Artwork] [Need Videos] [Need to Test]				
I'm sure there are more games than this. This is the Wikipedia list. Anyone know where to get a better list?				
A-Jax	Works -Rx			First load program disk in A and disk 1 in B, then it will ask you to put disk 2 in drive A and start. -Rx
Access Heat	Doesn't Work -Rx			Garbled graphics and a seizure waiting to happen.
Active Shoot	Works -Rx			Slight flicker, but very playable. -Rx
After Burner	Works -Rx			
Air Hork	Works -Rx			
Akumajou Dracula	Works -Rx			Takes a LOOOOOOONG time to load, but it eventually will. No music though... sound test page "plays" the music, but you don't hear anything. -Rx
Alien Syndrome	Works -Rx			
Angel Dive	Works -Rx			No music???
Aquales	Doesn't Work -Rx			Says disk not ready no matter how I swtch the 3 disks up. -Rx
Arkanoids - Revenge of Doh	Controls -Rx			Can't move the paddle. -Rx
Atomic Runner Chelnov	Works -Rx			
Babel	Works -Rx			Great little puzzle game. -Rx
Baraduke	Works -Rx			
Barcelona Fighter	Doesn't Work -Rx			Seems to freeze up after title screen appears. -Rx
Black Tiger	Controls -Rx			Can't start a game. -Rx
Bomber Man	Works -Rx			
Bonzai Bros	Works -Rx			
Bosconian	Works -Rx			Light Japanese text. -Rx
Bubble Bobble	Works -Rx			
Burning Fist	Doesn't Work -Rx			Gives me some kind of disk loading screen I can't read. -Rx
Castlevania Chronicles				
Cavecrows	Works -Rx			
Cha Cha Cha	Works -Rx			
Chacha Fighter V	Works -Rx			
Chase HQ	Works -Rx			
Chelnov				
Chick Fighter	Works -Rx			
Chourensha	Works -Rx			
Chuka Taisen	Works -Rx			
Cockpit	Works -Rx			Just like Top Gun, without any missiles or fun. -Rx
Code Zero	Works -Rx			
Columns	Works -Rx			
Cotton	Works -Rx			
Crazy Climber	Controls -Rx			Probably just needs to be reconfigured. Don't have full range of movement. / Play on MAME instead. -Rx
Cyber Mission	Works -Rx			
Cynthia	Works -Rx			AKA Dodgeball - Like SuperDodgeball on NES but better graphics. -Rx
D-Ball	Works -Rx			
Damnakimura - Ghouls & Ghosts	Works -Rx			
DangerUXB	Works -Rx			
Darius	Works -Rx			Any version I've found of this seems like it's a boss fight burnush. Skips title screen for some reason. / Plays slow and music stutters. -Rx
Darius-R	Doesn't Work -Rx			
Darwin's Dilemma				
Dash	Works -Rx			
Detana!! TwinBee	Works -Rx			Need to press 1 on the keyboard to start rom. Should remap it to that in the future. -Rx
Dig Dug I & II	Works -Rx			I think it's only Dig Dug I. Don't know how to start to or see any indication of it. -Rx
Dive On	Works -Rx			
Dragon Spirit	Works -Rx			Takes a while to load, but will play. -Rx
Dragon Warrior				
Drakken	Works -Rx			Could probably be configured better. -Rx
Dungeon Master	Doesn't Work -Rx			Says "System Error 41". I'm positive this was text heavy anyhow. -Rx
Dynamite Duke	Works -Rx			
Exciting Hour	Works -Rx			
F-15 Strike Eagle	Controls -Rx			Can't get past title screen. Needs to be configured. -Rx
Fairyland Story	Works -Rx			
Fantasy Zone	Works -Rx			
Fighter (Min)	Doesn't Work -Rx			Characters are invisible except for shadows and you can't fight each other. -Rx
Final Fight	Works -Rx			
Flappy II - The Resurrection Of				
Blue	Works -Rx			
Flying Shark	Works -Rx			
Frog Feast				
Gala Fighter	Works -Rx			
Galaga '88	Doesn't Work -Rx			Seems to load forever. Couldn't wait anymore. -Rx
Galaxian	Doesn't Work -Rx			Keeps restarting rom after you start the game. -Rx
Galseed	Works -Rx			
Ganma Planet	Works -Rx			
Gardis Light	Works -Rx			
Gedou	Works -Rx			
Gemini Wing	Works -Rx			
Genpei Tama Den				
GeographSeal	Works -Rx			Pretty cool Mech Game -Rx

Keeper	Works -Rx			
Knights of Xentar				
Lady Fighter	Works -Rx			
Laplace no Ma				
Lemmings	Control -Rx			Need to reconfigure for mouse. -Rx
Libble Rabble	Works -Rx			I think you need 2 players for this. If not, it needs to be reconfigured. -Rx
Lode Runner	Works -Rx			
Marble Madness	Control -Rx			It's too slow. You'll never beat the game in the given time unless we can make it go faster. -Rx
Marchen Maze	Works -Rx			Light Japanese text. -Rx
Mobile Suit Gundam Classic Operation	Doesn't Work -Rx			Can't move past title screen. I'm 99% sure a Gundam game is text heavy anyhow. -Rx
Moon Fighter	Works -Rx			
Motos	Works -Rx			
Mr Do!	Works -Rx			
Namco Music	Controls -Rx			Says "Push Mouse Button" -Rx
Nemesis '90	Works -Rx			
Nemesis '94 - Gradius II	Works -Rx			
Neural Gear	Works -Rx			It's loaded with text in the menus, but it's a cool shooter. -Rx
New Zealand Story	Works -Rx			
Pac-Land	Works -Rx			
Pac-Man	Works -Rx			
Pac-Mania	Works -Rx			Much better than NES version. -Rx
Parodius Da!	Controls -Rx			Can't get game to start. -Rx
Parodius	Works -Rx			

Game Title:	Works?	Video By:	Synopsis By:	Notes, Additional Information
Phalanx	Works -Rx			NO MUSIC. Weird Glitch happens around start. If you get a black screen for a long time, go to the in-game menu and back out again and you'll be able to see everything. -Rx
Pipe Dream	Works -Rx			
Populous	Controls -Rx			Can't get game to start. -Rx
Powermonger	Controls -Rx			Can't get game to start. -Rx
Push Bon	Works -Rx			
Puyo Puyo	Works -Rx			
Quarth	Works -Rx			
R-Type	Works -Rx			Looks like it's asking me to load a different disk, but I can't read it. I tried flipping disk a and disk b but it still didn't work. -Rx / Found a version that's one disk that works. -Rx
RainbowBell				
Return of Ishtar	Works -Rx			You must have 2 people to play. -Rx
River City Ransom				
Rygar				
Salamander	Works -Rx			
Scarlet	Works -Rx			
Scorpius	Works -Rx			
Shuffle Puck Cafe	Controls -Rx			Seems to play so so probably won't work anyways. Music skips. -Rx
Silkroad - Legend of Gero	Works -Rx			
Soccer	Works -Rx			More text than I'd usually take, but it's the River City Ransom guys playing Soccer. -Rx
Sol-Feace				
Space Harrier	Works -Rx			
Space Invaders	Works -Rx			
Star Force				
Star Trader	Works -Rx			Light Japanese text. -Rx
Star Wars	Works -Rx			Who doesn't love playing the Death Star? -Rx
Street Fighter II	Works -Rx			Need to load Disk 0 and 1 first, then when it stops loading, use Disk M
Strider	Works -Rx			
Super Dodge Ball				
Super Hang-On	Works -Rx			May want to tone down the sensitivity a bit. -Rx
Sylvion	Works -Rx			Light Japanese text. -Rx
Terra Cresta	Works -Rx			
Tetris	Works -Rx			
Thrice				
Thunder Blade	Works -Rx			To get game to load, start with disk 1 & 2 in, and then switch drive A to disk 3. -Rx
Thunder Force II				
Tower of Druaga				
Twin Bee	Works -Rx			
US Championship Beach Volley - V Ball	Works -Rx			
Ultima V - Warriors of Destiny				
Ultima VI - The False Prophet				
Valls II				
Viewpoint	Works -Rx			
Walkaround	Works -Rx			It's extremely text heavy, but who could remove a River City Ransom game? -Rx
